HODES IQ RELEASES LATEST UPGRADE

Hodes iQ 4.7 offers additional functionality and full on-boarding suite

NEW YORK, NY – May 30, 2007 — Bernard Hodes Group, a leading provider of integrated talent solutions, announced today its latest upgrade to Hodes iQ, its award-winning talent management system. Hodes iQ, 4.7, provides added functionality for users in the areas of recruitment expense tracking, questionnaire categorization and E-learning tutorials, as well as an enhanced background check integration and a new Hodes iQ on-boarding module.

“The scalability of our product offering has always been a top selling point with our customers,” said Jeremy Shapiro, VP, E-Recruiting Solutions, Hodes iQ. “Couple that with our continued success in integrating additional technology platforms and delivering our new modules based on customer needs, only enhances the true value of our comprehensive suite of products and services.”

The newest Hodes iQ features include:

- The launch of the Hodes iQ on-boarding suite— provides on-boarding features to support corporate forms, government forms, direct deposit options, e-signatures, document storage, HRIS feeds and more.
- Recruitment expense tracking – track expenses on the job and applicant
- Full E-learning tutorials of Hodes iQ.
- Enhanced background check integration
